National Associated Press to the Star. MONTREAL, May 18 .- This morning at o'clock, when work began on the docks, a crowd of strikers and loafers collected op-posite the Beaver Line steamship Lake Champlain, and when the men began to work greeted them with volleys of stones. The Captain was wounded in the arm and the men driven off. The water police and city police soon arrived in force, however, and drove the strikers away.

About 8:30 this morning, when the police were in small numbers at the Beaver

Line Wharf, the strikers mustered sudden ly, and drove the workers away again. The police, then being reinforced by about forty of the city police, made a charge on the crowd, who retreated, throwing stones as they went. One policeman was badly they went. One policeman was badly wounded, but the crowd was rapidly dis-persed, and two of the ringleaders arrested. The strike is practically at an end.

Canadian Cannon Frown Upon the Pugilists,

And the Great Goss-Ryan Match is Declared Off.

A Bad Gang of Bruisers Gathered at Erie.

National Associated Press to the Star.

NEW YORK, May 18 .- The Ryan-Goss prize fight was broken off this morning, as it was known the Canadians were out in the lake with tugs armed with cannon and a force of military. Ryan and Goss had signed an agreement that both should leave on the same boat, take fifteen men a side, and land at the first favorable place. The tug We'sh was chartered to carry the pugilists, and both got on board. Ryan's friends, contrary to agreement, swarmed the boat, and Goss' friends were unable to get on board. Goss was taken from the boat by Barney Aaron, who said:

"Why, why, old man, that murderous gang of Hibermans would murder you. If your friends can not go, then you shall

THE FIGHT DECLARED OFF. ERIE, PA., May 18-10 A. M.-Ryan sent after Goss and Barney Aaron, but the lat-

ter refused to make any arrangement until he saw Roach. After Roach was brought in on a tug he waited on Aaron at the Reid House, while the crowd on the steamboats lay on the lake waiting for the pugilists. Aaron accused Roach and Ryan of sharp practice in bringing the Ancient Order of Hibernians and the Emmet Guards from the tug with the intention of insuring a victory for Ryan. Roach denied the alle-gation, and said Ryan was ready to fight

anywhere.

A long argument ensued and the fight that was finally declared off. This means an unbroken route between Baltimore and Cleveland and Chicago via Pittsburg. The Pennsylvania Railroad has heretofore enjoyed a monopoly of this business. applicants are turned away. The influx of visitors is caused by merchants coming to the city for goods, b. people who left their homes in town May 1st and are not yet ready to go to the country, and in a measure by the tidal wave of European travel, but more than all, the crowded state of the hotels, is owing to good times. The Board of County Auditors on the line of the Marietta & Cincinnati Railroad met in the office of the County Auditor at the Court-house

this morning for the purpose of appraising property of that road and its several branches. President W. S. Cappeller, of Hamilton County, was in the chair, and the following auditors were present: Frank J. Esker, Secretary, Ross County; E. M. DeBruin, of Highland County; Charles W. Randall, of Warren County; A. W. S. Minear, of Allen County; John T. Foreman, of Vinton County; W. H. H. Cadot, of Scioto County; Thomas W. Patterson, of Jackson, and General M. J. W. Holter, of Clermont County.

After a long talk the tax valuation of the road was fixed as follows: Main line 183.68 miles at \$10,000 per mile. Double track 20 miles at \$12,000 per mile. Sidings on main line and double track at \$2,000 per mile.

THE WALK

In the Big Tent on Twelfth Street. Only ten of the walkers in the Haverly-Engelhardt pedestrian match are now on the track. In addition to Callahan, Pratt and Hibbs, who left the track yesterday afternoon, Brisk and Briody also suc-cumbed. It now begins to look as though Hughes, who captured the lead right in the start, intends to maintain that posi-tion, Last evening he kept up a dog trot

of a six-mile gait that was exceedingly wearisome to the rest of the pedestrians.

Price, of Londonburg, gave a turee-mile exhibition run yesterday afternoon, mak-

exhibition run yesterasy attention; ing the following time:

First half mile, 2 min, 50 sec.; first mile, 5 min, 58 sec.; second mile, 5 min, 57 sec.; third mile, 5 min, 58 sec.; the whole three miles, 17 min. 53 sec. At 9 o'clock Price gave a five-mile exhibition run, making the following time:

First mile, 5 min. 40 sec.; second mile, 5 min. 50 sec.; third mile, 6 min. 15 sec.; fourth mile, 6 min. 23 sec.; fifth mile, 5 min. 51 sec.; the whole five miles, 29 min.

The third day of the walking match dawned clear and warm—intensely warm. But notwithstanding the heat, the prospects for a large crowd this afternoon and evening are very favorable.

Promptly at 11:30 o'clock this morning

the contestants, arrayed in their colors, started from the scorer's stand at the word "Go!" from Manager Engelhardt. Eleven men started. Harriman, who left the track last evening, returned this m rning, contrary to general expectation. He says he did not leave the track last night on account of the scorers not credit-

ing with the proper number of laps, nor did he entertain the slightest suspicion that they were doing what was not right. He informs us that the trouble all arose from the fact that he had nothing to eat yesterday. His food, which was brought in from the outside, was consumed by others

and did not reach him. This was Harrimen's cause for leaving the truck.

He started off this morning on a swift,
steady run, which he kept up for a couple
of hours. Harriman made the first mile in less than six minutes, and Hughes, who was also running steady, made his first mile in a little more than seven minutes.

Vint, O'Brien and Chamberlain were running, and the former is apparently as fresh as when he first stepped on the track.

At noon Sullivan had made 129 miles, Vint 123, Harriman 112, Krohne 119, Hughes 150, O'Brien 127. The remainder of the men "still in the ring" are Clow, Fitzgerald, Magill and Chamberlain.

The score up to 12 o'clock last night was
